TO WHOMSOEVER IT MAY CONCERN

Wexgrand Private Limited, a Kochi-based technology company specializing in website development, software solutions, mobile applications, digital marketing, and business automation, is seeking to onboard **14 Sales Managers** — one each across all fourteen districts of Kerala — to expand the reach of our digital products and services. We welcome applications from **fresh graduates (any degree) or candidates who have completed their Plus Two (+2)**, as we believe in nurturing talent and providing the right platform to grow. Selected candidates will undergo a **1-month paid training program** to gain in-depth knowledge of our products and services, following which they will be responsible for promoting and selling Wexgrand's technology solutions to businesses and individuals within their respective districts. The position offers a fixed salary of **₹15,000 per month along with attractive performance-based incentives**. This is an excellent opportunity for motivated individuals who are eager to build a career in sales within the fast-growing digital technology sector.

Last Date to Apply: May 15, 2026 Interested candidates may send their resume to mail@wexgrand.com or WhatsApp us at +91 90612 34515.
